Holistic oriented Education – HEI is having one at the vision as holistic oriented Education. Governance very pro on holistic education. Governance / Management through the Principal and teaching – non teaching (supporting staff).

For holistic oriented Education, the HEI put efforts for Curriculum enrichment. The HEI follows over 20 means / steps / majors / activities to ensure effective curriculum delivery through proper planning. It includes academic calendar, daily lectures, ICT enabled classrooms, Library – as knowledge resources, Research Seminars, projects Presentation and many more including continuous Internal Assessment (CIA) efforts for slow learners – Advance learners; advantages for middle class learners, transport assessment, class test, are steps taken by HEI & Guarantee for holistic Oriented development of students.

Unlift the Society – HEI and Governance very focused on upliftment of the society. HEI charges very average fees for each programme. HEI provides instalments while payment of academic fees. HEI provides platform for extension activities such as cultural competition, sport competition, NSS activities, add value courses, value based skill programmes are organised.

Holistic Oriented Civilian development in students – HEI is keen in Research Activities, celebration of Republic Day and international, national traditions and commomoration days celebrations. Social means for society are same of social activities as blood donation camp, help to orphanages, environmental sustainability – cleaning the social places, service to nation – as step towards holistic of the HEI.

In every means for HEI growth and development, the governance (trust) practices decentralization and total committed involvement with follow up.

Vision of the Institution

To educate students towards an all round development through value based, quality driven and holistic oriented education with a vision to uplift the society and to empower them to participate and contribute to economic and cultural growth of the nation.

Social Need base establishment of HEI –

The first and ever important of Vision is ‘To educate students’. The location of HEI is at lower class and lower middle class population. This society cannot afford long distance and high cash for education. ‘To educate students’ at lower lower middle class, the Nirmala Foundation laid the foundation of Nirmala Commerce College, at Rani Sati Road, Malad (E) at Mumbai.

Value based education – The Governance, The Principal and staff is committed to provide the value based education. HEI carried out value based education through organizing workshops, programmes, activities based on the Human values, Professional Ethical Values, Environmental concern values and Sustainability environment activities were regularly arranged.

Quality driven education – HEI is very keen on providing quality driven education as one of the ‘Vision’ (single intued comma, bold) of the HEI and Governance. The quality of ‘UG’ student can be calculated through ‘result – pass percentage’ of students, especially in Semester VI of T.Y.B.Com students. This is the only exam conducted by the parent University known as Univ. of Mumbai. On an average over 90% pass percentage of students in T.Y.B.Com (Sem VI) depicts the Quality Driven Education, Maximum number of passed / successful students are with distinction to first class i.e. about 70% to 60% marks.
