

### 7.1.3 B Solid Waste Management in HEI

Nirmala College of Commerce is situated within the Brihanmumbai Municipal Corporation (BMC) area, where solid waste, sewage, and domestic waste are efficiently managed by the BMC system. It has Sewage Management system with proper procedure and Sewage treatment plant. It has domestic waste collection vehicles, which collects the waste from each establishment. Within the institute, solid waste is collected on every floor, with designated bins for dry and wet waste. The waste is then collected by BMC for further treatment.
