Restricted entry of automobiles

Nirmala College of Commerce has implemented restrictions on automobile entry, which means:

- Only staff members who live far away or are in exceptional situations are allowed to bring vehicles.
- Students are prohibited from using automobiles.
- The management does not provide parking space or entry for students with vehicles. Nearly 100% of students rely on public transportation.
- A limited number of teaching and non-teaching staff members are allowed to use vehicles, with the parking area designated at the entrance.
- Automobiles are not permitted within the campus to reduce noise pollution, air pollution, and to preserve pedestrian pathways.
