

7.1.5 F Potted Plants

The campus features a variety of potted plants strategically placed throughout the premises, adding to the vibrant and welcoming atmosphere. These plants not only enhance the aesthetic appeal of the campus but also contribute to a healthier environment by improving air quality. The presence of potted plants creates a calming and refreshing ambiance, offering students and staff a peaceful escape amidst their busy schedules. The college encourages the care and maintenance of these plants, fostering a sense of responsibility and environmental awareness among the campus community.
